

**Action Plan to follow up on Memorandum of Understanding between
Czech Office for Standards, Metrology and Testing (ÚNMZ)
and
Korean Agency for Technology and Standards (KATS)
in the field of standardization for 2024 - 2025**

With a view to realize cooperation under the Memorandum of Understanding between Czech Office for Standards, Metrology and Testing (ÚNMZ) and Korean Agency for Technology and Standards (KATS) (hereinafter referred to as “Sides”) in the field of standardization signed on 8th December 2023 in Prague, the Sides declare their intention to implement the following activities:

1. Exchange of information, know-how and experience with various forms and focus of education on standards and standardization with an emphasis on incorporating the field of technical standardization into education in relevant fields of study.
2. Assisting the participation of Czech students in the International Standards Olympiad organized by KATS (i.e. requirements, setting conditions and selection criteria, etc.).
3. Exchange of the best practices (i.e. awareness raising, requirements, criteria and their evaluation, motivation, etc.) in recruiting new experts for national/mirror technical committees.
4. Exchange of experiences and information on national standardization system, particularly in areas, such as, best practices, marketing strategies, standards sales and distribution, stakeholder involvement, etc.
5. Organization of online consultations or workshops on the topics of mutual interest in order to increase the level of professional knowledge and competence in the area of standardization.

Each Side designates the following contact point for coordinating and communicating with the other Side on matters pertaining to the action plan:
